---

(For all the below metrics, min, max and avg values are same)

### 1. Warp level instructions for global loads

SoA      48

AoS      48

### 2. Executed Load/Store Instructions

SoA      88

AoS      88

### 3. Global Memory Load Efficiency

SoA    100.00%

AoS    33.33%

### 4. Global Memory Store Efficiency

SoA    100.00%

AoS    33.33%

### 5. Global Load Transactions

SoA      192

AoS      576

## 6. Global Store Transactions

SoA      96

AoS      288
